photography by john emslie

AGE: 18
HEIGHT: 5-6
WEIGHT: 134 POUNDS
MEASUREMENTS: 38D-25-38
HOMETOWN: JONESBORO, ARK.

Hi, it's Devon the intern! Super cute high school senior Jana has sex on the brain. With a bod like that, can you blame her?

What physical features do you look for in a guy?
The guy should definitely be taller than me, with a nice smile and good hygiene.

What do you think is *your* best physical feature?
I love my boobs because they're totally natural. I love it when guys play with them.

What's your biggest turn-on?
A really deep, passionate kiss makes me weak in the knees. Or, like, those accidental touches when you're first dating someone.

What's your favorite sexual position?
Missionary rules because it's more romantic, but honestly? Doggy-style is my all-time fave. It just hits me in just the right spot! And it's the best way for anal.

What's your favorite sexual activity?
Right now, I'd have to say butt sex. I thought it felt weird at first, and I was scared about the pain, but I tried it a few more times, and it's just—*wow*! It's given me the most intense orgasms ever! Now I can't get enough.

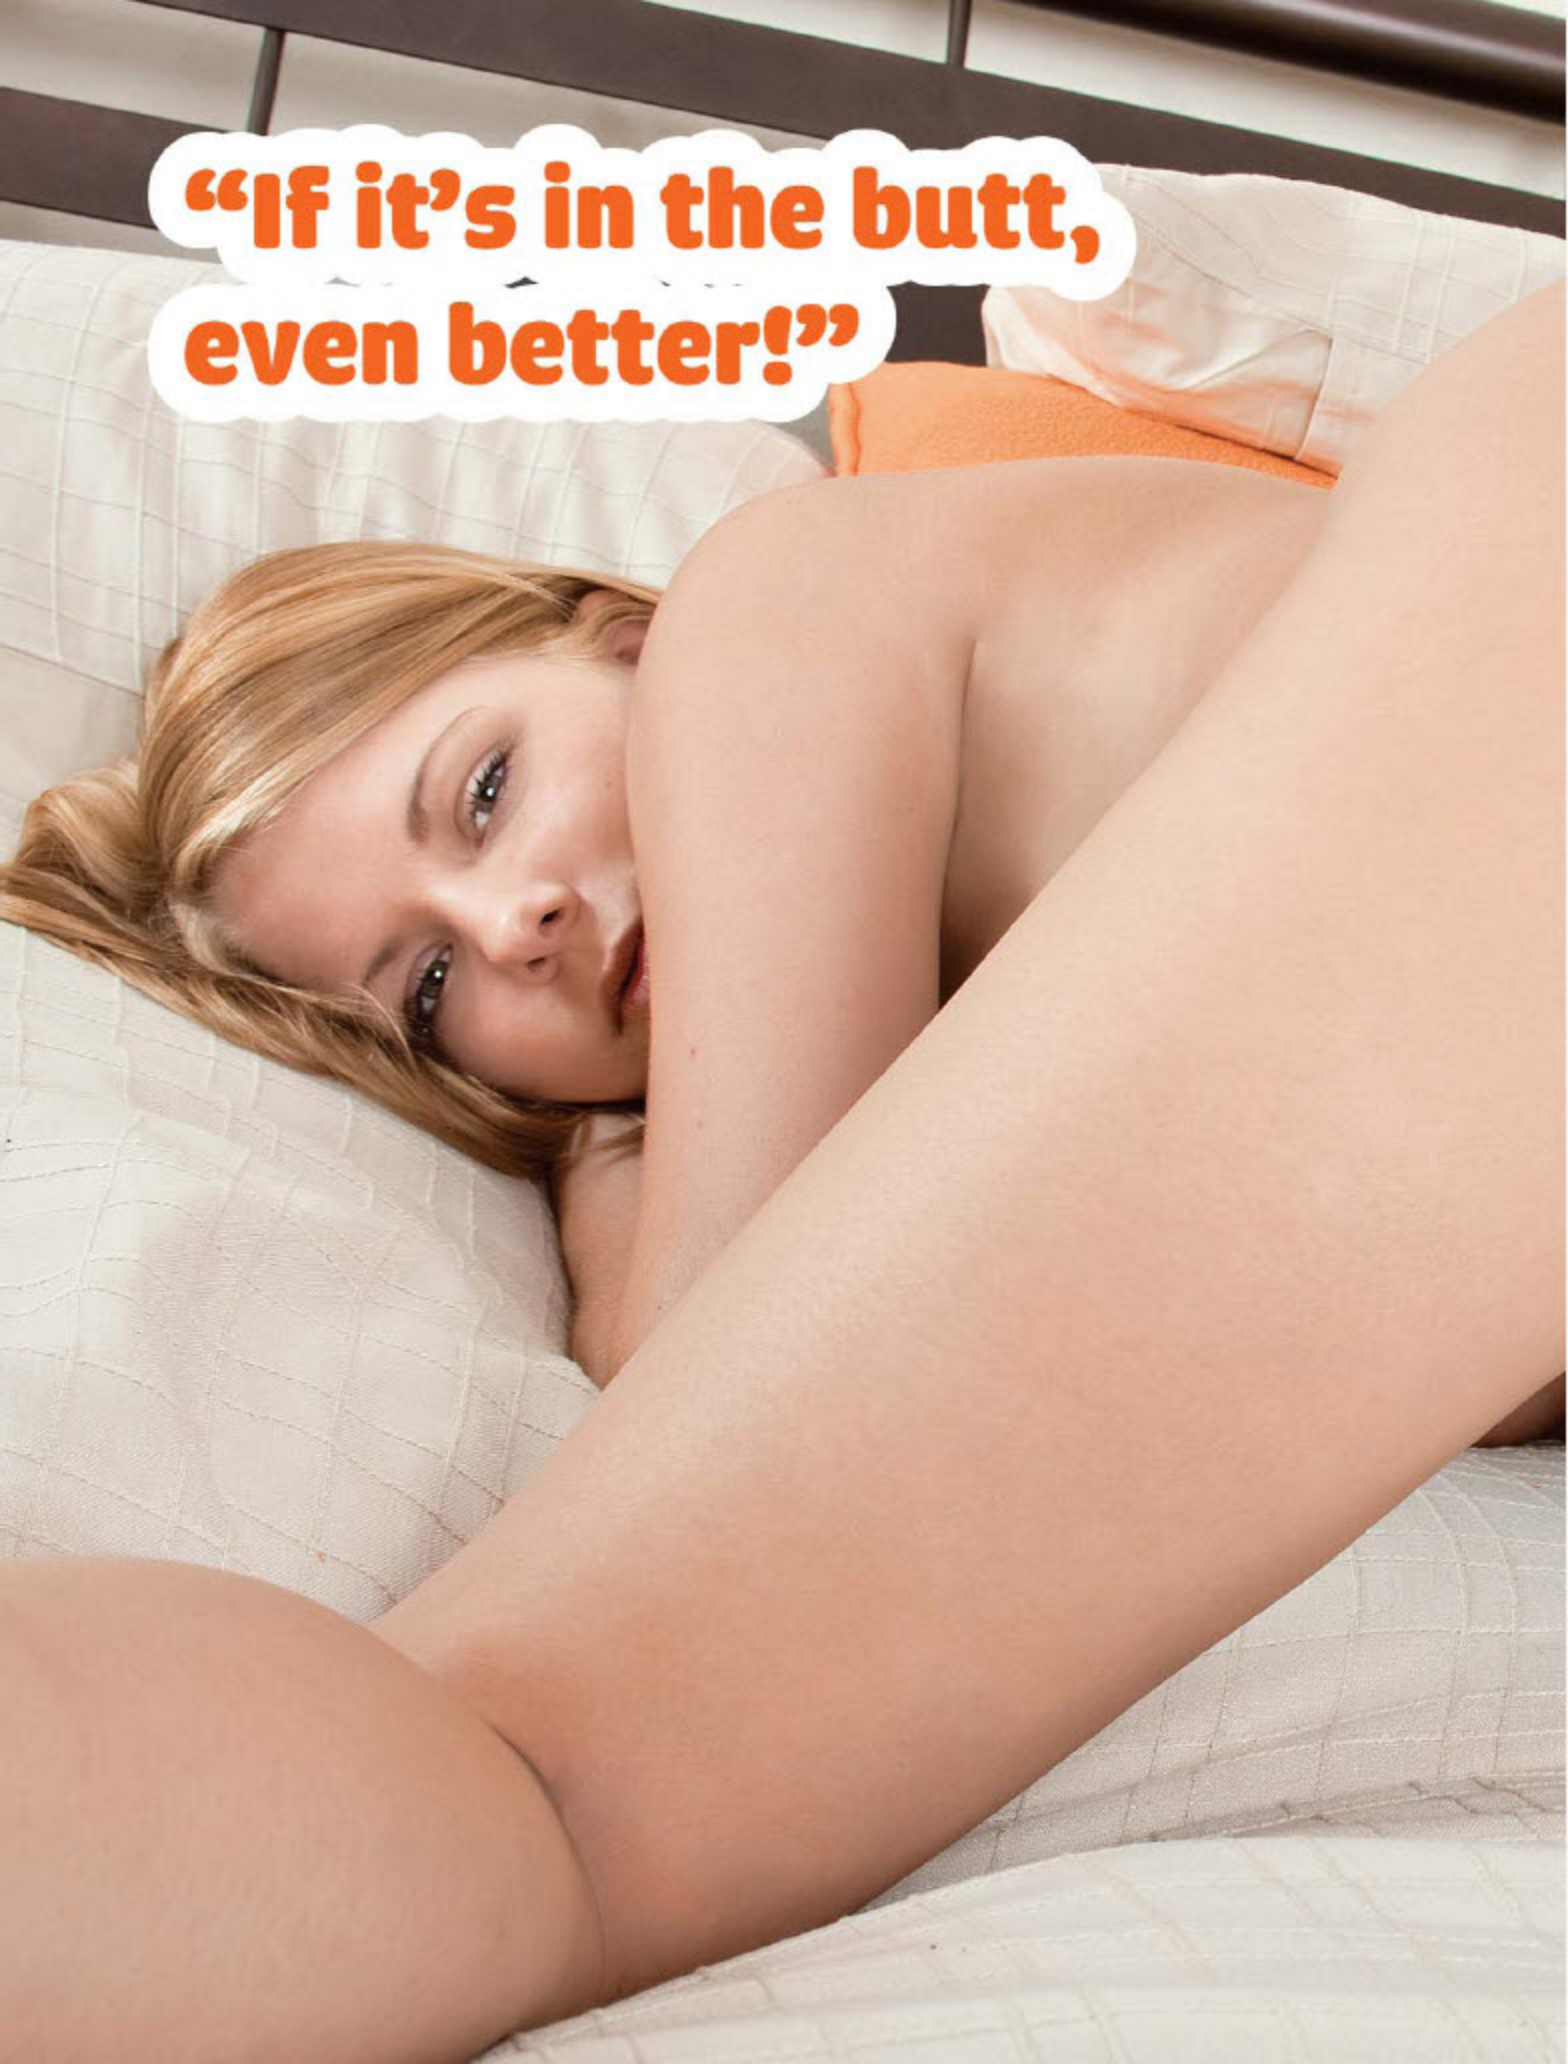
How often do you think about or want sex?
I think about sex a *lot*! At least as much as guys do—maybe more!

Do you like oral sex?
I love to put a dick in my mouth—as long as it's not dirty and gross. But if it is, I found that the perfect solution is to take a shower together. It's *soo* fuckin' hot!

What's the naughtiest thing you've ever done?
I hope no one I know is reading this, but I once let a guy fuck me in the ass while I was bent over the hood of his car—in a mall parking lot!

What's your ultimate sexual fantasy?
Sex with a stranger. Well, not a stranger necessarily—it could be anyone—but me going about my business in, like, a miniskirt or whatever—something with easy access—then bending over for some reason and then having a guy come up behind me and put it inside me before I even know what's going on. If it's in the butt, even better!

Did you like posing nude?
Yes! I'm proud of my body, and I'm not ashamed that I have sexual urges—as long as my parents don't find out! ★



“If it’s in the butt,
even better!”

DEAR BARELY LEGAL

PANTY CONTEST WINNER

Announcing the results of our January 2009 Panty Giveaway contest! We girls at BARELY LEGAL are all about staying in shape through diet and exercise—and reader N. K. of Washington has the hottest health tips ever! For that, N.K., you win Mona's mouthwatering undies. Congratulations!

Dear BARELY LEGAL,
What would I do with Mona's panties? Well, I got hard and was flexing when I saw her and felt my balls and scrotum inching, so I would use them for cock, ball and scrotum exercise. I would suspend them from the ceiling so they would hang to where I could flex my cock against them. And after exercising my cock, balls and scrotum against them for a few days, I could see if my cock has been strengthened by how much her panties move when I flex against them and see if my scrotum and balls inch more, too.

I would wear a condom, because flexing against her panties will cause me to shoot a load of cum. The main reason for wearing a condom would be to see, after all the exercise my cock, balls and scrotum get, if the weight of my cum increases. Mona has not given head much, but I would have to thank her if my cum output increases and check cum's nutritional value for any future swallowers.

Mona says guys look past her. What—with that body and the shape of her neck? And she wants to do it doggy-style. It is a wonder she is not swaying to all the boning and humping she wants. And why has she not swallowed pounds of cum? Because a cock could not hold off long in her mouth. Maybe it is because she only sees the same boys at high school. When she gets out, she will meet some who are smart enough to see who she is. Although take it slow, and be sure you do what you want, Mona.

Lindsey,
As always, the issue was excellent. However, you ask what I like best about the January 2009 issue. I liked your photo, as it communicated dreams and possibilities. I liked Dani's photos and comments, especially, "I will fuck you until you need oxygen." Very beautiful and sexy young woman. I also liked Eden Petty, the Teen Queen. I agree with you that even if Eden is just past 19, she definitely belongs in the magazine. She is a total turn-on. She is stunning. She takes my breath away. I liked her interview, too. And to answer her question: Yes, I am as turned on as you are.

I liked the *Summer of Love* diary, and I felt the pictures featured really enhanced the story. Finally, I enjoyed discovering the sexy Katrina in *Slumber Party*. I have not always been a huge fan of *Slumber Party*, but Katrina was a treat and very hot. I hope she will find her way into BARELY LEGAL someday as one of your professionally photographed young women.

Good job, Lindsey.

Mark
by Internet

Dear Lindsey,
What I like about the January 2009 issue, well, it is you. My ultimate sexual fantasy. I love your page in every issue.

Sierra Snow's wet panties and Eden Petty's tits. Love the hard-core comic strip. Hope to see you in the strip in an issue or two.

Love ya,
Tom from Maine

Thanks for taking the time to answer my question, you guys! It totally helps us put together the magazine, especially when you give your opinion about the different sections.

Tom, I'm blushing. Thank you!

Mark, I'm definitely going to tell Katrina about your comment. She might be too shy to pose for a whole pictorial, but you never know! —Lindsey

Dear BARELY LEGAL,
I have been a longtime subscriber to your mag because you always feature the sexiest girls in porn, but with the January 2009 issue, you guys really outdid yourselves. Every chick in that issue is a total fox. From cutie-pie covergirl Kali (love her smile) to big-breasted Angel, these girls fuckin' rock. Sierra Snow, Kaylee and Eden Petty are definitely beautiful, and they make my cock harder than Chinese arithmetic. Gina Lopez was a spicy surprise. You should feature more Latin girls. More black chicks, too. I dig women of all races and

would love to see a little more flavor in your mag from time to time.

I'll be glad when this fad of girls shaving their pubic hair runs its course. I bet I speak for a lot of guys when I say a woman's bush is very erotic.

Louisa and Jessica's lesbo lickfest was very hot. More lezzies, please!!!

Thanks for a great mag, and keep mailing those gorgeous little hotties to me every month.

Richard
South Carolina

Richard, I swear we put the May issue together before we read your letter, but somehow it turned out to be, like, made for you. For instance, you asked if we could have more Latin and black girls, and this month we have Tuesday and Nina Devon! Then you asked for more lezzies, and we have Shyla Jennings and Capri!

The only thing we couldn't give you was a girl with a nice, furry coochie—but if you want a whole magazine of furry coochies, you should totally check out Best of BARELY LEGAL Presents: All Bush. If you can't find All Bush at your local newsstand, just send a check or money order for $10 to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Ste. 900, Beverly Hills, CA 90211; Attention: Back Issues Dept. For credit-card orders, call 1-800-763-8271, ext. 7651. (Sorry, no international orders.)

Now I have one question: Have you been reading my mind? ;) —Lindsey

Dear BARELY LEGAL,

I was wondering why of all the issues/DVDs of BL I've seen, how come I haven't seen any hot, barely legal black teens?

Bill
by Internet

Bill, I am really hoping you got this issue so you can see the totally adorable Nina Devon. And also so you can find out that another hottie named Melody is going to be in our June 2009 issue, next month. AND find out that we also have a brand-new DVD called BARELY LEGAL Black Chicks. You can order it by calling 1-877-325-6464 or visiting hustlerhollywood.com. Let me know what you think! —Lindsey

Dear Lindsey,

First off let me say, I am infatuated about you. I like your picture in this month's issue [December 2008]. However, I am writing in regard to Missy Stone's pictures on pages 54 and 55. Despite the fact that she says she "likes to swallow," I don't think she did any swallowing the night before her photo-shoot. It appears like sperm leakage in two photos. I like that.

Your magazine gives me a greater appreciation of young ladies—with their beautiful little pussies and perfect A-holes.

A devoted reader and fan of yours,
P. G.
Michigan

Thank you, P. G.! Also, awesome eye! That totally looks like jizz escaping from her cooch. What have you been up to, Missy, hmm? I guess we'll find out when she does her encore pictorial next month in our June 2009 issue. Yes, Missy is coming back! :) —Lindsey

Dear BARELY LEGAL,

This letter is really a question about a girl who appeared in the December 2008 issue by the name of Capri.

First, I would like to say that all the girls in BARELY LEGAL are beautiful and very sexy. I really enjoy looking and lusting over the girls' sexy bodies. I really love seeing those hairless, sexy pussies.

I also like reading the interviews. I really was turned on when I read Ms. Capri's interview. She admitted that she likes to be naked. She said that she started ripping her clothes off before the photo-shoot started. Ms. Capri also said she would like to find a man who would not mind her being naked all the time. Well, Ms. Capri, I don't know if we will ever meet. However, I do want you to know that this man thinks it is great that you like being naked.

I need to ask a question: Did Ms. Capri also appear in the February 2009 issue of HUSTLER?

I would like to extend a personal invitation to Ms. Capri: If you are ever in Kentucky, you can come and stay at my home. Moreover, you do not have to wear any clothes. In my house, it is perfectly okay to be nude all the time.

B. K.
by Internet

Yes, B. K., that was Capri in the February 2009 issue of HUSTLER. Also, you might have noticed that she is in this very issue, rolling around with Shyla Jennings. The girl cannot stop getting naked. Thank goodness! —Lindsey

JANE BIRKIN & CHARLOTTE GAINSBOURG HONORARY BARELY LEGAL GIRLS

Jane in "clothes"

You guys, I love America, but sometimes I think Europe is more, like, open-minded toward we BARELY LEGAL girls. I mean, they even have an entire *family* that acts like a BARELY LEGAL girl!

The mom is gorgeous 1960s British actress Jane Birkin, who showed her barely legal boobs and butt in *Blowup* and *Cannabis*. Later, Jane got married and settled down to a quiet life. Just kidding! She married a French musician, and they recorded a duet called "*Je t'aime*" that was basically made up of the sounds of sex.

Then Jane and her husband had a daughter named Charlotte and, in keeping with family tradition, he recorded a duet with *her* called "Lemon Incest." Teenage Charlotte rebelled and made a bunch of movies where she kept all her clothes on—but she soon grew out of that awkward phase and made her mother proud.

Honestly? It's almost too *easy* to be a BARELY LEGAL girl in Europe. But Jane and Charlotte still deserve our highest honor—'cause they have been keeping my fingers *trés* busy. *Merci*, ladies!

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, sometimes I get *so* tired of looking at BARELY LEGAL girls. I mean, titties and pussies and tummies and buttholes, all day long, every single day. Maybe it's time for a new...JUST KIDDING! I have the most awesome job ever invented!

First of all, how could anybody get tired of looking at BARELY LEGAL girls when each one is, like, so different and so special? Just their boobies alone are unique! For instance, this month we have Jana, with her ginormous D cups, and Victoria, with her itty-bitty As, and all the plump Cs and bitable Bs in between.

We have long and leggy Bailey Rose and pocket-sized Alyssa Hall. We have spicy Latina Tuesday, dark and lovely Nina Devon and creamy blond Natalie Norton. We have Shyla and Capri's bad-girl grins and Louisa Lanewood's shy (but still naughty!) smile.

Each and every girl, *so* different, but with one major thing in common: They are all totally hot!

Guys—you are *never* getting rid of me. :)

TUESDAY

sugar 'n' spicy

Hi, it's Shawna the intern. High school senior Tuesday might look like a tough rocker chick, but she's totally sweet. Not too innocent, though!

How would you describe yourself?
I'm fun, open-minded, smart. I *love* music—I'm, like, a Social D fanatic. Also, I love going to Disneyland. *Oops*, my secret's out!
What kind of guy are you looking for?
Someone intelligent, caring and giving. I like guys who are passionate about something—it doesn't matter what!
What's your biggest turn-on?
I like to suck on a guy's fingers. It really puts me in the mood!
What's your biggest turn-off?
Rudeness or impatience. I don't care how hot a guy is, if I see him being rude to someone, I'm done!
What's your favorite sexual position?
I like it from behind, with me leaning against something sturdy, or missionary, with my legs wrapped around him.
What's your favorite sexual activity?
Oral, with a guy or a girl. I love to bite and lick and suck. I'm like a vampire!
How did you lose your virginity?
I went on this amazing date with this older guy, and we totally hit it off. Afterward, we went back to his place, and I decided to go all the way with him. But then he never called me again!
How do you like to be fucked?
I like to really *feel* it, so slow is good if it's really deep, and fast is good if it's really hard.
Where do you like a guy to come?
I like a warm load on my ass! LOL! Really, anywhere is fine with me, including my mouth. I totally swallow.
What's your ultimate sexual fantasy?
I think French-maid outfits are *so* sexy. I'd love to dress up for a guy in something like that. Or any kind of sexy outfit, really. That would be hot!
Did you like posing nude?
It was fun. I felt very comfortable getting naked in front of a camera. I guess that's just my wild side coming out.
Any last words for our readers?
If it feels good, do it! ★

ALYSSA HALL

little squirt

Hey! It's Lindsey, with up-and-coming (*hee-hee*) porn starlet Alyssa Hall. She only just lost her V. last year, but she sure is making up for lost time!

What do you think is your best physical feature?
Tits, face and pussy. Because my tits are round and firm, my face is hot, and my pussy is tight and small.

Do you like oral sex?
I love the way hard cocks feel in my mouth, especially when I can feel the heartbeat through their dick.

Are you a spitter or a swallower?
Swallower! It tastes yummy.

AGE: 19
HEIGHT: 5-3
WEIGHT: 100 POUNDS
MEASUREMENTS: 36C-25-36
HOMETOWN: TARZANA, CALIF.

Do you like anal sex?
It's okay. Not my favorite. I'm still getting used to it.

Where do you like a guy to come?
All over my ass, mouth, face, tits. Anywhere except in my pussy—unless you're special.

What are your turn-ons?
Rough sex, dirty talk, hair-pulling, being held down and sucking dick.

What are your turn-offs?
Hairy people, old ladies and long fingernails.

What kind of guys do you like?
Old guys with saggy balls. LOL.

Do you like girls?
Yes. When I was in high school, me and my friend got hella drunk and fucked in the pool, on the grass and in her bed, waking her mom up. LOL!

All the time, 'specially with my girls. We use toys.

How do you like to be fucked?
Hard, rough sex with dirty talk.

How can a guy make you come?

Have you ever fucked a stranger?
Yeah. I went to a rave, picked up this hot Vietnamese chick and fucked her in my hotel room.

What's the best way for a guy to pick you up?
At a rave or party, just talking to me, but usually they have to have a hot bi girl with them. ;)

Describe your dream date:
On the beach with a girl and a boy, and we fuck at the shoreline.

What's the absolute best sex you've ever had?
After my first swinger party! I squirted, first time ever.

Did you like posing nude?
I love posing nude. It's fun, and I love looking sexy and showing off my body. ★

BARELY LEGAL'S AMATEUR PHOTO CONTEST **$2,500 GRAND PRIZE!**

ATTENTION, ALL 18-AND-OVER CUTIE-PIES! Become an amateur model for BARELY LEGAL today. Snap a clear, color picture, and mail it to BARELY LEGAL Slumber Party, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211. Every little hottie whose picture we print gets $250 and a chance at the ultimate Grand Prize—a photo-feature worth $2,500. The award for the photographer of the Grand Prize winner is $250. Fill out the model release on the last page of this section, and include a color copy of a valid ID. Join the *Slumber Party*!

"I'm a shy, innocent girl from Ohio," says newly legal **Diamond**, and we have no reason to doubt her—except for our own eyes. Oh, and also the fact that she sleeps naked and likes "being woken up with going straight into" fucking—preferably doggy-style. Oh, and ALSO the fact that her fave sex fantasy is "handcuffs, police outfit!" The 5-2 cutie *does* have a non-nympho side: She's currently in college, majoring in psychology, and in her spare time she writes poems. Of course, knowing this naughty, bi babe, her best subject is Sexual Behavior 101 and the poems are totally dirty! Shine on, you crazy-sexy Diamond! —*photos by friend*

Aspiring model **Mia** is only 18, but she's already a sexpert. "I hear I'm good in bed," boasts the 5-1 sweetie. "I move around like a cyclone." This Hilo, Hawaii, hottie is straight (boo!) but *wild*—her fave position is doggy-style, she enjoys being tied up, and, she says, "getting my hair pulled adds something." Mouthwatering Mia brags that she's "good at giving head," and she recently joined the Mile High Club on an island-hopping plane. The teeny teen dynamo has done just about *everything*, even...the ultimate. "I liked anal the one time I tried it," she confides. Only *one* time? What is she, a nun? :)

VICTORIA

my secrets

photography by jana krenová

Hi, it's Shawna the intern here with adorable high school senior Victoria. Don't let her innocent looks fool you—she's got a very dirty mind!

What kind of guys do you like?
Someone who can make me laugh and has a great personality. The perfect guy would be someone who's sweet, a little nerdy—and kinky in bed!

What's your favorite sex scene in a movie?
The Notebook, when they make out in the rain—*so* hot. I'd rather watch that than a porno!

What do you think is your best physical feature?
Not to sound conceited, but I think I have a really pretty pussy. Not that I've seen a lot of pussies to compare it to! Anyway, I think it's super cute, so that's why I like to keep it shaved.

What's your favorite sexual position?
I love doggy-style! It's so down and dirty—and it feels the best!

How often do you think about or want sex?
I think about it all the time! It's hard without a boyfriend, 'cause sometimes I just crave it, and there's nothing I can do except take matters into my own hands! LOL!

How often do you masturbate?
Pretty much whenever I can find the time. Sometimes it takes a while. Like, when I do it in the shower, I take up all the hot water!

What do you fantasize about when you masturbate?
I think about a hot guy I've seen at school or a cutie I've seen on the street and imagine what he would do to me.

Do you like oral sex?
I *lo-o-o-ve* giving head. It's one of the things I miss most about having a boyfriend. I like receiving okay, but I don't have to have it. It's more like a bonus.

What's the naughtiest thing you've ever done?
I once went down on three guys in the same week! My boyfriend was being mean and seeing other girls behind my back, so I hooked up with this cute guy at a party and sucked him off. Then the guy introduced me to his hot friend, and I ended up going down on him, too!

Did you like posing nude?
Totally. I got so turned on, I had to play with myself—right in front of the photographer! ★

SHYLA JENNINGS & CAPRI

perfect pair

Hey! Lindsey the matchmaker here, and I've done it again! You guys remember Shyla from our February 2009 issue—she's the girl with dark hair. Anyway, she casually mentioned to me that she likes "petite girls with long hair and a sweet, fun style." Then Capri, who was in our December 2008 issue, happened to tell me that she likes "sexy girly women." Well, you know where my mind went....

What did you think when I showed you Capri's layout, Shyla?

Shyla: I just went, "Omigod, that is the most perfect pussy I have ever seen." There was that one close-up where Capri was all, like, wet down there. I wanted to lick the page!

Capri: I remember I was so turned on when I posed, my pussy was sticky the whole time.

Shyla: I have to tell the readers: That is not, like, a trick of photography. Her pussy really is that pretty.

What did you like best about hooking up?

Capri: I loved licking Shyla's pussy 'cause she's, like, so responsive. She moans really loud.

Shyla: Embarrassing!

Capri: No, it's awesome. And also, she's just so *hot*. I'm getting a lot of lezzie action at college, but this was my best experience.

How about you, Shyla?

Shyla: Well, usually I prefer, like, shy girls who aren't sure about their lezzie feelings. I like to, you know, *persuade* them. But Capri just dove right in, and it was such a turn-on. The girl knows how to lick pussy!

So, would you hook up again?

Shyla: If we're both in L.A. at the same time again, definitely. And next time Capri will let me do my favorite thing.

Capri: I'm not ready to have my booty-hole licked!

Shyla: You will be.

You girls better keep me posted! ★

A BARELY LEGAL CONFESSION BY SHELLY BARBIERI
PHOTOGRAPHY BY DAVE NAZ

sexy ever after

If people had told me two months ago that I was going to be in BARELY LEGAL, I would have said they were crazy. I would have been like, "Guys don't look at me in real life, so why would they want to look at me in a magazine?" But exactly one month, two weeks and four days ago, everything changed.

Two months ago, I was at the garage where my cousin Judith works. She's a dyke, in case you're wondering (I'm not being mean, that's what she calls herself). I used to stop by there after school every day, partly to say hey to Jude, but mostly to sneak peeks at Nicky from afar. He's the owner's son, and he's 22, and he's *beautiful*.

Anyway, it was my 18th birthday, which I didn't want to make a big deal out of, but of course Jude *had* to announce it to the entire shop, plus make them sing "Happy Birthday." I wanted to die. Then I really *did* die when I saw that Nicky had come out of his father's office and was singing along. When the song ended, he headed straight in my direction. I stood paralyzed.

"Hey," he nodded. He had a sexy, husky voice. "I'm Nicky. Feel like going for a walk in the park?"

My head got hot and fuzzy, and my throat felt like it was shrinking. "Totally!" I could barely get the word out. Next thing I knew, we were walking in the park, and Nicky was holding my hand.

After a while, he asked if I wanted to sit down. We leaned against a giant tree, and Nicky slid his hand over my shoulder and down my flannel shirt, cupping one boob in his hand. I just sat there, still in shock that Nicky liked me. He licked my ear and nibbled my neck.

"I'm so hard," he said. He put my hand on his crotch, which was totally bulging out. I squeezed it, but then I was like, Am I supposed to unzip his fly, or wait for him? I mean, how are you supposed to know what to do?

Luckily I didn't have to make a decision, 'cause Nicky unzipped it himself. His penis popped out, all pink and shiny and, like, bursting.

"Will you suck it for me, baby?" His breath was hot in my ear. I shivered, and my stomach was full of butterflies. But I couldn't let my nerves ruin this special moment.

"Yes!" I tried to say it all sexy, but it came out more like a squeak.

I tasted the tip of his dick with the tip of my tongue. His boner twitched.

"In your *mouth*, baby," he groaned.

I wrapped my lips around the head of his peen and kind of swirled my tongue around. He groaned again, and it made my nipples tingle. Sucking cock was exciting!

"That's good. Now more." Nicky pushed deeper into my mouth. I opened wide. His dick was long, and it curved like a banana. I took as much as I could, but I just couldn't fit it all. So even though it felt sort of like cheating, I grabbed the bottom of his peen with my hand and slid my mouth and hand up and down at the same time.

"Yeah, fuck, yeah," Nicky moaned. "Suck my balls now. Suck my balls, and jack me off."

I took Nicky's balls into my mouth. Omigod, they felt so fragile! No wonder guys are always getting hurt down there. I tried to be as gentle as possible. I barely even sucked at all. But I guess Nicky liked it, 'cause his boner throbbed like crazy in my hand. He groaned and swore and pulled my hair.

"I'm gonna come in your face," he announced. He pulled my head back, grabbed his dick and aimed. His jizz gushed hard and fast, splattering my nose, mouth and chin. It kind of surprised me. I mean, it was only our first date, and Nicky already felt close enough to me to splooge in my face. It was like we already had a super tight bond.

So then I was *really* surprised the next day when I went to the garage after school. I asked Nicky if he wanted to go for another walk, and he was all, "Sorry, but I don't think this is going to work out." He said that, basically, I dressed too much like a dude and my boobs were too small. "But you're a cool chick. No hard feelings, right?"

Well, of course I wanted to be a cool chick, so I just said, "Totally," and left. But I *did* have hard feelings. Nicky was my first real boyfriend. I felt like a total failure, not to mention uglier than ever.

That night, Jude came by my house to take me to a party—because, yes, watching guys hitting on girly girls in hoochie clothes with their BIG BOOBS hanging out would *totally* cheer me up.

"Snap out of it," Jude said, popping the collar on her leather jacket. "That little asshole can eat shit."

She's *so* butch. It's nice 'cause I don't have any brothers, so she kind of fills in.

"Come on," she ordered. "Get dressed."

I threw on my usual jeans and flannel shirt and followed Jude outside to her pride and joy, a 1978 Grand Am she was rebuilding. It was loud and sputtery, and stalled at red lights. We pulled up in front of a ranch-style house with a gravel yard and went inside.

I should have known—it was a total lesbian party. Oh, well, kids at school called me a lesbian anyway 'cause I dress tomboy and play softball, so it wasn't like my reputation could get *worse*.

I really wasn't feeling very social. I found a quiet corner and just sat alone and sipped Pabst. Everyone at the party looked

like Jude—stocky, shorthaired, dressed in denim overalls. Then my eyes caught a total girly girl across the room sipping pink wine from a miniature bottle. She was cute and blond, with a short white skirt and tanned legs. She saw me staring and came over and sat down.

"Hey! I'm Meg."

"Hi." I didn't know what to think. "I'm Shelly."

"I'm so glad to see somebody my age here. At least, you look it—are you 18? I am. My sister dragged me here 'cause I just moved from Maine and I don't know anybody. But, like, everybody here is so not my style, and older too, don't you think?"

I just nodded, speechless. It was weird, but I was feeling like how a dorky guy must feel around a super hot girl.

"So, what are you doing here?" Meg demanded.

"I came with my cousin 'cause she thinks I need cheering up." I didn't really want to, but I told Meg about Nicky. She shook her head, then told me all about her ex in Maine who cheated on her all over the place.

"And you and me both end up at a lesbian party," Meg laughed.

I felt awkward. Meg was watching me.

"Maybe it was fate." She leaned in closer. "Maybe both of us, coming out of these crappy relationships, maybe we need to explore our options."

Ten minutes later we were in a walk-in closet full of shoeboxes and kids' clothes. Meg jammed her tongue into my mouth. I didn't even have time to feel shy. We took off our tops and pressed our titties together. I tingled all over, and my clit ached. I had never even fantasized about girls before, but here I was, completely turned on. My pussy was practically screaming.

I ran my hands over Meg's body. Her skin was silky and her boobs were flawless, the size and shape of the most perfectly formed peaches you've ever seen. I grabbed them and squeezed them all rough, like a boy. Meg gasped and pulled at my hair.

We fell to the floor, me on top. I pressed my weight into her as I kissed her neck and tits. She spread her legs and guided my hand to her pussy. Her panties were hot and damp. I pulled them off and rubbed her coochie. Her clit was so hard, it poked my hand. She sighed and squirmed. I wanted to lick her pussy, to see how she tasted. I mean, I'd gone *this* far—it would seem like a waste if I didn't try.

I bent down and slid my tongue between her pussy lips. She tasted salty, and the smell made me want to swallow her whole. I clamped my mouth over her cooch and slurped away. It was just like making out, but with a pussy instead of a mouth—like I was giving her puss the hottest, most luscious kisses ever. Meg moaned and squeezed her perfect boobs, and sweet goo filled my mouth and dripped down my throat.

"I'm glad I got dragged to this party," she sighed.

"Me, too!" I kissed her with my sticky mouth.

The next morning I woke up feeling all horny. It was crazy. I

"I was so wet, juice dribbled down my butt."

couldn't wait to see Meg again. Maybe this time she could lick *my* pussy. I was all, Jude is going to totally freak when she finds out I have a girlfriend.

Later that day, I got a text from Meg: ITS OK TO TRY STUFF ONCE! HOPE WE CAN STAY FRIENDS.

So, apparently I wasn't even cute enough to be a lesbian!

That was when I decided that love was just not worth it. It was just a stupid distraction. I should be focusing on the other things in my life—like softball. I mean, the district-championship game was coming up, and it was really important, and my teammates were totally counting on me. I was all, "Fuck love!" And then it happened.

The day of the game arrived, and we totally sucked, unfortunately. I played especially sucky. But I couldn't help it. The whole time, there was a guy in the stands just *staring* at me. Every time I looked over, I caught him. Finally, I missed a second easy fly, and the game was over.

My teammates wouldn't even talk to me, but I didn't care. I just walked straight over to the strange guy. Close up, I could see he was in his 30s or 40s. He was handsome, with deep, sad eyes.

"Dude, what's your deal?" I asked. "You made me lose the game!"

"I'm sorry," he mumbled. "It's just—you're gorgeous. Such long legs, graceful arms. I couldn't take my eyes off of you."

Gorgeous? No one had ever called me that before. Especially not while I was in uniform, covered in dirt and sweat.

"Did Jude send you here to punk me?" I demanded. But I couldn't stop smiling.

"No," he said. "I'm a photographer."

He handed me a business card. His name was Aggie, and he lived in New York.

"I was wondering—would you pose for me? It's not what you're probably thinking. I do glamour stuff—no nudity."

Glamour? *ME*?

"Think about it, please," he begged. "I'll be at my studio all day tomorrow. Show up anytime."

He walked away, looking back at me one last time. I felt short of breath, and dizzy. What should I do? This was insane!

The next day, I took a bus into the city and went to Aggie's studio. He opened the door and pulled me inside, embracing me.

"I'm so glad you came." He pulled back and looked at me. "I've been uninspired. You're the woman who will revive me."

He pulled high heels, stockings and fancy underwear out of a closet. My eyes bugged.

"I-I don't think that stuff will look good on me," I stammered. "I mean, it's really pretty and feminine."

"*You're* really pretty and feminine," he said, handing me the whole pile.

Aggie was wrong. I was going to look completely stupid. But when I slid my feet into the super high heels and pulled the silky stockings up my legs, I felt different. Powerful, kind of. *Sexy*.

I posed, and Aggie pointed the camera at me. I didn't feel silly, not even for a second. I loved it. I

loved the way he looked at me, and the way he kept shooting and saying, "Gorgeous! Fucking incredible!"

I loved it so much that my brain, like, *stopped*, and I did the most insane thing I have ever done in my life: I took everything off, one piece at a time, until I was totally exposed, boobs and butt and pussy. I stood there naked, free as a bird.

Aggie set his camera down. At first I thought he was pissed 'cause he doesn't shoot nudes. But he walked toward me and put his hands on me. His touch was hot. I lost my breath, just feeling his fingers on my boobies. He kissed me hard and pushed me down onto the sofa. He had been so shy and gentle, but now he was forceful, pulling my legs open and grinding the bump in his cargo shorts against my clit. He could have totally made me come with his pants still on.

But I had to have it all. I unzipped his pants, and his big, pulsing dick sprang out. Pre-cum glittered in the tip. I moaned, sliding my hands under his thin T-shirt and scratching his back. I wanted him inside me more than anything. My hips rocked and quivered, begging him in.

Aggie pushed inside my wet pussy. I cried out, relieved. He pumped in and out, slowly at first. My legs dangled in the air. He pushed my ankles back until my knees were against my ears. His pounding became faster. I was so wet, juice dribbled down my butt. Aggie groaned and stopped.

"Got to slow down," he gasped. "I don't want to come already."

We paused, and he rearranged me. My face was down now, my cheek pressed into the couch cushion, my butt high in the air. With a long, slow moan, he sank into my puss. He smacked my ass and humped. I rubbed my clit and squeezed my pussy muscles tight—I was coming.

My spasms quivered through Aggie. He roared and clutched my hips and came. I felt him vibrating deep inside me, till he pulled out and unloaded all over my butt cheeks.

Aggie jumped up, grabbed his camera and took a picture of me covered in his jizz and sweat, my hair all sticky and standing up weird. "Gorgeous," he whispered.

Of course, that photo (and others, LOL) are for our private use. Yes, Aggie and I are totally a couple! I don't care that he's 36 years old and divorced and working at the Duane Reade photo-processing counter. He's an artist, and art is about struggling.

Anyway, it's hard sneaking off to the city all the time, and if my dad finds out what I'm doing, he will literally break every bone in Aggie's body. I can't wait until school is over and I can move out and be free.

In the meantime—I was wrong. Love is *totally* worth it. And I am gorgeous! ★

BAILEY ROSE

Hey, it's Lindsey. This month's Teen Queen is so glamorous and sexy, it's hard to believe she's only 18.

"I know," confesses aspiring model Bailey Rose. "I've always looked mature for my age. I could pass for 18 when I was *14*! I *could* have gotten myself into tons of trouble, but I was a good girl. But not anymore!"

Sexual personality: I am ready for sex at all times. I don't understand girls who are all, "I'm not in the mood." How can you *not* be?
Best physical feature: My pussy, 'cause it gives me pleasure. And hopefully gives other people pleasure, too. ;)
Fave hobby: I love to ski. It's a total rush, plus it keeps my booty in shape.
First thing I notice about a guy: If he has sexy lines around his eyes and mouth. I want a guy who looks like a man, not a boy.
Biggest turn-on: Long foreplay. I like to have fun—lots of teasing and dirty talk and role-playing and being silly. After that, of course, we do some serious fucking!
Biggest turn-off: A lack of confidence.
Fave masturbation method: I rub my clit with my fingers. I can make myself come *really* fast. I've had tons of practice!
Fave sex position: Doggy-style. I love when a guy grabs my ass and fucks me *deep*.
Spit or swallow: I swallow, but I purposely let a little dribble out onto my chin. Guys go crazy!
To bi or not to bi: I'd say I'm bi. I'm more into guys, but girls are lots of fun to kiss and play around with.
Butt sex, yay or nay: *Mmm*-maybe someday?
Deepest, darkest secret: Don't laugh, but I have a thing for big guys. Not, like, *obese*, but thick and solid—you know, like Tony Soprano. I know, I'm weird!
Reason for posing nude: Why not? Don't I look good? ;)
Ultimate goal: To be happy in life, whatever I do, and to make others happy, too. ★

NINA DEVON

not in kansas anymore

Hey! Devon the intern here with star of tomorrow Nina Devon! Naughty Nina dropped out of college to move to L.A. and make it big in porn. I have a feeling she's going to make a *lot* of things big. ;)

Did you like posing nude?
Of course! I love being naked and feeling desired sexually.

Do you enjoy exposing yourself in public?
Yeah, I'm an exhibitionist. I like the thought of people looking at me.

What part of your body do you consider your best and why?
My butt. Everyone says it's nice. I don't like to go to the gym, but it's worth it.

Do you wear panties?
Yes. During the day I wear cotton panties 'cause I like to be comfy, but when I go out at night, it's always a thong. That's when the booty comes out!

How did you lose your virginity?
This is embarrassing, but I was suspended from school for a few days my senior year—I'm kind of a bad girl, in case you didn't notice—and I had the house all to myself, so my boyfriend came over, and we started doing stuff, and one thing led to another.

What's your favorite sexual position?
Missionary. It's the first position I tried and still the best! But I'm a fan of all three—missionary, me on top and doggy.

How do you like to be fucked?
I like it slow and sensual.

What's the best way for you to come?
When I climb on top of a guy and start grinding, I come every time.

Have you tried anal sex?
Nu-uh. Not yet. I'm pretty much up for anything when it comes to sex, but I haven't gotten around to anal. Maybe when the right guy comes along....

Where do you like a guy to come?
On my belly. I like to rub it in and play with it. Plus, I like to see it coming out! ----→

Have you ever had sex in public?
Kind of. It was on a tennis court on a beach, but it was closed and really late at night. I doubt anyone saw us. But it would be hot if they did!
What's the wildest thing you've ever done?
Gave a guy road head! It was super dangerous, but that made it more exciting.
What kind of guys do you like?
Tall, athletic, handsome and funny. I like exotic guys or white guys.
What's the best way for a guy to pick you up?
Shoot me a corny line that makes me laugh.
What's your ultimate sexual fantasy?
To have raunchy, dirty anal sex with Josh Hartnett in public while being filmed. A girl's gotta dream, right? ★

How would you describe yourself?
I'm super outgoing. I love to flirt, but I love to joke around, too, so guys never know if I'm serious or not. LOL.

What kind of guy are you looking for?
A sense of humor is a must. I need someone who "gets" me and who I can have fun with.

What's your biggest turn-on?
Having my nipples sucked. It's okay if you bite!

What's your favorite sexual position?
Being on top is the best for orgasms, but the best experience is doggy.

What's your favorite sexual activity?
I don't know. I love butt sex—it's so dirty!—but I also love oral sex and really passionate lovemaking.

Are you good at giving head?
I am now—thanks to *Cosmo* and Internet porn!

How did you lose your virginity?
I was spending the night at a friend's house, and her brother was home from college for the weekend. After she went to bed, I snuck up to his room, climbed into his bed and asked him to teach me what college girls do.

How do you like to be fucked?
It depends on my mood. Usually I like to do it really hard, but sometimes I feel like taking it slow.

Where do you like a guy to come?
I like it in my mouth or somewhere where I can lick it off me. I had a guy come on my boobs for the first time recently. That was hot.

What's the naughtiest thing you've ever done?
I almost had a threesome with a girl and a guy at a party once. This random hot girl started kissing me on the couch, and I got really turned on. Then her boyfriend or whoever came up and started groping her. It was weird but pretty sexy. They totally invited me to go into the bedroom with them, but I chickened out.

What's your ultimate sexual fantasy?
I like to think about what would've happened if I had done the threesome! I've never really been with a girl, so that would be hot. I also want to have a guy/guy/girl threesome so I can have one in my ass and one in my pussy.

Did you like posing nude?
At first I felt kind of silly doing it. I mean, I couldn't stop laughing. But once I got into it, I felt super sexy. I hope I *look* sexy! ★

BARELY LEGAL BOX OFFICE

WE GIRLS AT BARELY LEGAL THINK THE BEST PERSON TO JUDGE THE REALNESS AND HOTNESS OF A LEGAL-TEEN VIDEO IS A REAL, HOT LEGAL TEEN. HERE TO REVIEW THE LATEST RELEASES IS THIS MONTH'S GUEST CRITIC, BAILEY ROSE.

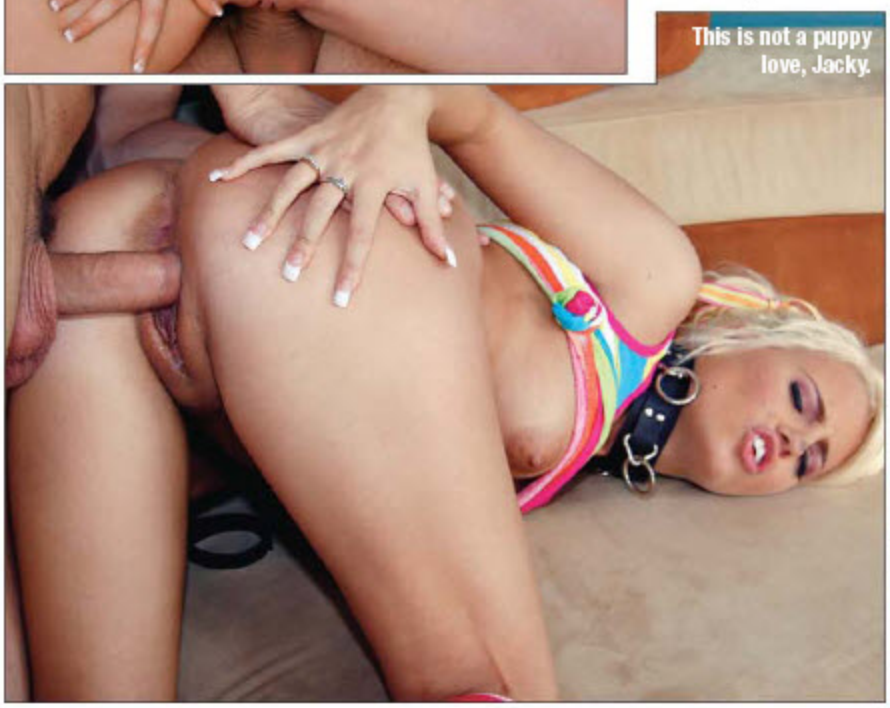
TEEN CREAM

★★★★

HUSTLER Video. Directed by Lex T. Drill; starring Kylee Reese, Annie Cruz, Jacky Joy, Faye Reagan, Ruby Ryder, Lee Stone, Jay Lassiter, Steve Holmes, Dane Cross and John West.

WTF is this? *Teen Cream* isn't a call-the-girls-pop-some-corn-and-have-some-fun kind of porno. It's a lock-the-door-turn-off-the-lights-and-shower-afterward bit of nasty. The box cover promises "a creampie every time," and the movie definitely delivers. But there's other weird, kinky things going on. Like, for some reason, all the girls wear dog collars and crawl around on all fours. Jacky Joy even drinks milk out of a bowl, and Ruby Ryder starts out with a ball gag in her mouth. Kylee Reese is *always* intense, but here she seems, like, out of control (in a good way)—although for a hottie, she's not as glamorous as usual. This movie is all about down-and-dirty, raw fucking. Even the camerawork looks all gritty or whatever. Annie Cruz's super raunchy anal—complete with jizz bubbling out of her butthole—is obviously meant to be the highlight, but my favorite scene is with Faye Reagan (a/k/a Faye Valentine). She doesn't go in for the kinky stuff—the freckle-faced redhead slows things down and just gives us a serious fuck, and it's super sexy. *Teen Cream* is definitely not for the faint of heart—or me! But if you like the hard stuff, it could totally be for you.



This is not a puppy love, Jacky.

Careful—Annie bites!

BARELY LEGAL 18 & EASY #2

★★★★

HUSTLER Video. Directed by Will Ryder; starring Missy Stone, Adriana Nevaeh, Courtney James, Anna Lee, Shyla Haze, Aaron Wilcoxxx, John West, Kenny, Jeremy Steele and Tee Reel.

BARELY LEGAL 18 & Easy #2—phew, that's a mouthful!—has the kind of girls you want to see in a movie like this. They're young, cute, horny. I think the thing they all have in common is, they are really excited about having sex. Missy Stone wants it so bad that she's straddling the couch and grinding her ass when we first see her. She inhales cock like it's oxygen and gets slammed hard in a piledriver. Courtney James's eyes light up when she gets a chance to suck cock, and she literally drools. You know she loves BJs because she keeps giving them before and after every position. There's lots of hot close-ups in the movie, especially the POV shots during the BJs. The teasing—with the girls in miniskirts and thongs—really gets the job done. The girls really look good. And there's something for everyone. Adriana Nevaeh and Anna Lee are super petite, with tight little bodies. Shyla Haze, on the other hand, brings the T&A. But Courtney and Missy especially give sluts a good name with their awesome performances in *BARELY LEGAL 18 & Easy #2*.

Missy and that pink cushion should get a room.

Courtney's mouth is already watering.

Shyla backs that ass up.

Adriana, you're such a messy eater!

NATALIE NORTON
jersey devil

Hey, it's Devon the intern. Natalie Norton is a Jersey girl born and raised, but she moved out to California to go to college and, hopefully, become a really big porn star. So far, she's off to a good start!

How would you describe yourself?
In high school, I was kinda tomboyish—I played a lot of sports—but somehow really sexual at the same time. But now I'm a little bit more girly.

What kind of guy are you looking for?
I don't have a type, really. I've dated lots of different guys. But I like older guys a lot—guys who know how to treat a woman and can show me new things in bed.

What's your favorite sexual activity?
I love, love, love to suck cock. That's my favorite thing in the world, period. It gets me so worked up that I just *have* to have sex!

How often do you masturbate?
Oh, jeez. Do I have to count that high? I'm not that good at math!

What's your favorite masturbation method?
I started using toys a lot lately. It gets me wet—and ready for the real thing.

How do you like to be fucked?
I like it long and hard. Nice, gentle sex just doesn't do it for me. I want us both to be covered in sweat and ready to pass out when it's over!

Where do you like a guy to come?
I like it on my face if I'm doing a porno, but in real life, I like to swallow every drop!

What's the naughtiest thing you've ever done?
I had sex with a friend's dad! That was just so wrong—but I don't care! Another time, I had sex with two guys at once. What can I say? I just can't get enough cock.

Do you like posing nude?
I love it. It makes me feel super hot. I love being an adult entertainer. It's an awesome job for someone who loves sex as much as me! ★
